- Problem-solving
- Teamwork/Fast Learning,
- java/C/C++/JS/PHP
- Qt/Node.Js/SDL/Bootstrap
- Git/Github/MySQL/Linux
- OOP/MVC Architecture

LANGUAGES

- Arabic (Native)
- English (Professional)
- French (Intermediate)

HOBBIES

- Coding
- Tech Exploration
- Reading
- Gaming
- Sport
- Cooking

PROFILE

I am Wassim Saadli, a 21-year-old student currently in my 2nd year of the Integrated Preparatory Program at ESPRIT. Passionate about software development and new technologies, I always strive to learn and explore the latest innovations in the tech world. I have experience in C/C++, web development and game development, and I enjoy building creative and efficient solutions

WORK EXPERIENCE

Freelance Developer   JANUARY 2024 – PRESENT

- Built desktop applications in C++ for students at ESPRIT.
- Designed and developed professional websites using HTML, CSS, JavaScript, PHP, and Node.js.

Intern – Tunisian Post   July 2024 – August 2024

- Developed TNPost Chatbot, an AI-powered assistant using C++ and Qt to help users with postal service queries, including package tracking and locating post offices

Game Dev – University Project   2023

- Created a 2D isometric video game using C and SDL 1.2
- The game won Best Game Award at the university in 2023.
